doing the breast stroke

the
young
girl's
boobs
were
small, but
he still
managed
to fuck
them

Kylie was everything I wanted in a girl: just out of high school, tight-bodied, and with small but obviously firm tits. Every day before my university classes, I'd come by the coffee shop she worked in to eye her hard nipples. Whenever she tipped the heavy coffeepot toward my cup, I'd lean close so that I could see under her blouse, where her pink tips were pointing at the counter.

One morning, I was the only

customer in the place. When she bent over me, I tipped my head forward and poked my tongue right into that soft, slight cleavage.

Kylie jumped up and stared at me with new interest. "You're into tits," she said. It was more a statement than a question.

"I'm into yours, yeah," I croaked. Then I stood up so she could see my hard-on puffing out my fly.

She mashed her silky breast-flesh around my swollen purple head

Giving me a naughty grin, she motioned me into the back room, where I sat on a rickety chair and hauled out my impressive nine-inch hard-on. Kylie pulled down the top of her dress and revealed those sensitive little mounds of flesh.

I reached for them at once, caressing her soft nipples with my palm. They were every bit as

I had to pull my finger out as she bit down gently on my taut shoulder, then hunkered down and massaged my cock between her tits. Even though they weren't that big, those tits sure had a lot of bounce to them. It was almost like I had my tool plunged into a girl's mouth, though of course it felt a lot drier. Luckily the wetness from between her legs was

and so did the next one, and the next. The whole time, her titties were pressing down harder and harder on my shaft, squeezing each creamy globule from my churning nuts.

I don't think I'd ever felt anything so fantastic on my shaft. While she was rubbing my tool, she leaned over and bit down on my own stubby little nipple.

soft as the rest of her hooters, each areola as pink and tender as a baby salmon. Kylie sighed and pushed her chest into my nimble hands. While I fumbled to lift her skirt, I bent my head forward and gave each succulent nipple a sucking. At the same time, I skewered one finger slowly up into her pussy, twisting and prodding until a strong-smelling gush of juice flowed over my hand and ran down my wrist.

still coating my hand, so I really couldn't complain!

Moaning, she started rubbing herself up and down on my hard length, mashing her silky tit-flesh around my swollen purple head and then letting it pop through again. Whenever it did, she'd flick at it with her tongue. When the first bead of clear pre-cum glittered on the tip, she started going crazy. That first drop disappeared into her hungry lips,

Wow! That was a new one to me! Pleasure blazed through me like sparklers on the Fourth of July. Who says a guy's tits don't have any anatomical function?

"Oh, Kylie! You're really getting to me," I gasped. Kylie just laughed and went on rubbing her tits up and down my stalk, shimmying her body against mine every time I thrust my hips forward. I felt my balls clench up and start to burn as a thick, hot

Kylie ran her mouth up and down my shaft a few times, shaking her head from side to side like a playful puppy tearing at a bone.

load gathered deep inside them.

A moment later, she opened her mouth and slurped me inside. The tip of my cock slammed against her tonsils like it was sinking into a deep silk pouch, while all the time my shaft was cradled in the tiny pillow formed by her tits.

Her tongue turned out to be as talented as her boobs! Kylie

“Oh, yeah, yeah!” My spunk roared in my balls like a creek swelling against its banks in springtime. I figured Kylie would drink the whole salty load right down. To my surprise, though, she pulled back and jumped up on my lap, slipping my flailing tube right up her wet pussy. She rippled the muscles between her legs with the same expertise

thigh. Kylie picked up an empty creamer from a nearby shelf. She held my cock over it while the last of my own private cream spurled out. Then she got up, holding the creamer, and winked at me shamelessly.

“Time for a coffee break,” she said, laughing, and went to get herself a full cup of her fresh morning brew. She added my

ran her mouth up and down my shaft a few times, shaking her head from side to side like a playful puppy tearing at a bone. My own bone responded, I don't mind telling you, and the pressure in my nuts got almost unbearable when she sucked my prong all the way past her tonsils and lodged my fat cockhead in her soft gullet. Smiling like she was thinking of some private joke, she looked into my eyes and, tightened her throat, and I started spurting.

she'd shown with her tits, and without hesitation I blasted a load up her pussy while she squirmed and ground herself onto me like a spinning top.

That was great, but even better was the fact that her bare breasts were still pummeling my face, and I tried to grab them with my teeth, and managed to capture one just as the last of my jizz roared out of me and drained down over my lap.

I sat there panting, my limp cock flopping back against my

spunk to it, drank some down, and smacked her lips. “Awesome, Zach. I'm really picky about what I put in my joe, and I'd gotten tired of drinking it black. Why don't you stop by every morning? I could use some help around here, anyway.”

Well, I thought about it for a second, and couldn't refuse. Now Kylie and I both work at the shop and work each other over during our breaks. It's a great part-time job for a student, and the fringe benefits are excellent!

We were watching old monster movies from the Fifties, when Brad started nodding off. Well, I didn't want that since I was hopped up from all the screaming and frights. I got up and sat on his lap and I think that woke him up, or at least it woke his trouser monster up, and I was all for that. And so was my butthole!

GIRL NEXT DOOR

HARLEY

I'm as free spirited as my namesake. A little wild, high strung, and always ready to be taken for a long ride. My engines roar whenever they're stroked by a hard driving piston and I purr when your foot's off the gas. Okay, I finished all my motorcycle analogies, so I'll be quiet so you can jump on.

JAY STAR

Forget doctors and lawyers. My kind of man hangs at hardware store and can build things with his hands. I love getting fucked by my carpenter husband. My husband's sweat gets me wet. It shows me he's earned his money that day. I love my men to smell natural. Soap should be his only cologne. I love fucking at my husband's workplace. It feels natural to get naked and nasty there. Sex is dirty only when you are doing it right, and my carpenter husband has all the right tools to nail me.

JAIME

I was lonely and kind of desperate when I invited over my manager from the bar I worked at for 'drinks and a movie', which, in the dating world means 'small talk before 69'ing.' I really didn't want to have sex with him. I shouldn't have invited him over, but I did. I immediately realized that it was a bad decision. But one of the other girls said he had a nice sized cock, and since it had been a long dry spell, I went for it. (He did!)

"Are you all right in there?" I shouted, pounding on the bathroom door.

"I'm...uh...I'm fine," Leslie's muffled voice responded from behind the heavy wooden panel. I wasn't entirely convinced. Lately this had become a nightly ritual. When we first became roommates, six months earlier, Leslie was the perfect companion. Far neater than any other 19-year-old I knew, she was considerate and always on time with her half of the rent. She was even polite about asking for some alone time with her boyfriend. But ever since she and Paul split up, she'd become a bathroom hog.

"Leslie!" I called again.

"I'm...I'm fine! Go away!"

What a bitch, I thought as I pressed my ear against the door. At first, all I could hear was a heavy, echoing silence until my ear became accustomed to the pressure; then there was something else—an underlying buzzing noise. Somehow it sounded very familiar, but I couldn't place it. Suddenly, she released a sharp cry and the buzzing grew louder. Fearful that she might be hurt or in medical trouble, I yelled her name one more time, swung the door open... and almost fainted from shock.

Leslie was perched on the john butt-naked, with one small foot set up on the sink and the other splayed off to one side, jamming something long, thick, and noisy up her pussy. It was her electric toothbrush!

"Oh, shit!" she spat.

I was struck dead silent, far too embarrassed to speak.

On top of that, I felt foolish, thinking that I might have guessed she was getting sexual relief in there. But with the toothbrush? Leslie froze in mid-stroke, then bolted up-right, quickly clamping her shapely, tanned thighs together so hard that the toothbrush popped out of her pussy to rattle around on the tiled floor like an obscene wind-up toy.

"Sorry!" I peeped.

Slamming the door shut, I scurried down the hall to my room, where I jumped on my bed to burrow nervously into the pillows. Even though the whole scene had been totally humiliating, I couldn't get out of my head the image of that vibrating piece of plastic jutting from her puffy, pink opening. I'd seen Leslie naked plenty of times, but the raw sexuality of what I'd just witnessed had my own pussy quivering—which upset me more than anything else.

Suddenly, there was a knock on my door; before I could utter a word, Leslie had slipped into my room, clutching her short terrycloth robe around her like a shield.

"Can I come in?" she cooed in a soft, musical voice.

I nodded meekly. "I'm sorry I barged in like that."

"Hey, don't worry about it," she replied, plopping down on the bed in such a way that her robe rode up the swell of her thighs. "It was kind of funny, if you think about it!"

When she put it that way, I mentally relived the incident and immediately broke into laughter. Leslie did too, giggling insanely. Soon we were both hugging each other, with tears rolling down our cheeks.

"You nasty girl," I finally said, gazing into her dreamy, blue eyes. "Where did you come up with such a weird idea?"

Leslie brushed her luxurious black mane away from her high forehead and shrugged her shoulders, causing the loose robe to part another inch.

"You mean my joybuzzer? (That's what I call it.) You should try it, Nancy! You can't believe how incredible it feels!"

"I...I couldn't...do something like that!" I shot back,

the makeshift vibrator down over the soft arc of her tit, along the gentle curve of her girlish tummy, and on into the dusky forest of her lush pussy fur.

It was obvious that she was teasing me, but I couldn't figure out why. Neither of us was lesbian—at least, I wasn't. But watching her slowly slide that gadget south to graze her moist, red labes had my already-aroused pussy wetting down the crotch of my panties in no time, and that made me wonder about my own sexual orientation for the first time in my life.

shaking my head vehemently.

"Why not? You frig off, don't you?" she murmured, leaning forward till her plump tits nearly fell out into the open.

"Uh...well...sure, but..." I was distracted by the exposed swell of her bosom. Despite the fact that we're both the same age, we're radically different in appearance. Where Leslie is a tall, lean, curvy brunette, I'm a fair-skinned redhead with small, freckled tits, wide hips, and chunky thighs. I'd always admired her good looks, but now it was more than that. She was turning me on big time.

"Then you just have to give this baby a shot!" she trilled.

Before I could stop her, she'd whipped the robe off to reveal her lovely young body and yanked the infamous toothbrush out of her pocket.

"Leslie! What...what are you doing?" I snapped, staring at the long, blunt instrument clutched in her little fist.

"Showing you how, honey! Watch!"

Something in the back of my foggy mind told me that I should stop her before things got out of control, but I couldn't tear my eyes away from her superb form as she lay back on the bed and turned on the device. The instant the subtle buzzing reached my ears, my pussy started tingling intensely.

Leslie flashed me a coy smile, then slowly glided the thing up over the wobbling hills of her milky white tits to dab the edge at one of her brown, gumdrop-sized nipples until the little bump had risen into a rigid peak. Moaning with delight, she kept her eyes fixed on mine as she rolled

Leslie didn't give me much time to worry about it, though. She had spread her long, supple legs, inserted the fat end of the device into her seeping entrance, and was pumping it frantically.

"Oh, god, Nancy," she groaned, jacking her pert, round ass at the whirring intruder, "you can't believe how good this feels! It's...it's better than a man!"

That surprised me—but not enough to prevent me from slithering my hand inside my nightgown to squeeze my tiny tits. Leslie noticed the erotic move immediately. Bending her knees, she ardently guided her plastic lover in and out of her oozing pussy even faster. Pretty soon it seemed that nothing else existed in the whole world for me except the twirling white bristles of that nasty brush staring out at me from between her stretched labes. Suddenly, her lithe, brown body writhed spastically, and her passionate cries grew louder.

"Ahhhhh, god! Nancy! Oh, my god! I'm...I'm coming! Aieeee! Yes! Watch me come!" she wailed.

I couldn't have looked away even if I had wanted to. Her lustful expression, trembling body, and groans of pleasure made me clench my legs together so hard that I had a mini-orgasm. Leslie shook through her own climax for quite a long time until finally she relaxed her tensed thighs with a low, satisfying sigh. Then she did something that blew my mind. Withdrawing the toothbrush from her slick pussy, she brought the glistening shaft up to her lips and leisurely swiped her tongue across the shiny plastic.

"Mmmmm! I taste pretty good!" she giggled.

"Why did you just do that in front of me?" I asked, doing my best to sound angry.

"Because I wanted you to see how wonderful it is," she replied, sitting up. "You want to try? You know, there's nothing wrong with two girls having some fun together when there's no cock available!"

Shocked at what she was suggesting, I was simultaneously disgusted and aroused by the idea. "I'm not into that!" I huffed.

"Oh no?" she murmured, glancing down.

Following her gaze, I saw a large, wet spot on my nightie where my juices had leaked through my panties. I was too humiliated to say anything, and it was during this awkward silence that my sexy friend made her move.

Laying the toothbrush aside, she gently took me in her arms and kissed me hard before I was even aware of what was happening. It was kind of sloppy, but the pressure of her warm lips immediately destroyed all my inhibitions. Embracing her, I hesitantly poked my tongue into her mouth as I experienced the arousing heat of her large bosom crushing my petite chest. She must have been encouraged by my response, because the next thing I knew, she was rolling my nightie up over my head and cupping my swaying tits in both hands.

"Ooooo, Nancy!" she cooed. "I love your titties, honey!"

That sort of threw me—until she grazed her thumbs across my perky, pink nipples; then I forgot about everything but the exquisite tingling coursing through my belly.

"I...I've never done this before," I blurted out.

"Suck my tittie, girl! God, that feels sooo wonderful!"

I probably could have come simply from the incredible stimulation of her steamy mouth, but I decided to prolong the fun by doing some nursing of my own. Gently prying her off my tit, I ducked low, lifted her swollen, brown nipple to my inquisitive lips, and went to work. The texture of her rubbery flesh straining against my tongue sent a fresh jolt of erotic energy straight to my pussy. Leslie seemed to enjoy it even more than I did. Grasping me around the waist, my sexy roommate rubbed her sassy tits into my face as she slowly inched her palms down over my ass to caress my flanks.

For somebody who'd never done this before, she was really driving me crazy. When her left hand swept over the curve of my freckled thigh to pet my moist labes, I yipped with pleasure and nursed more urgently on her stubby nipple.

"Jesus, Nancy!" she whimpered. "You're so wet! I...I just have to taste you!"

I hadn't thought that far ahead, but the idea intrigued me. Releasing my oral grip, I sat back on my haunches and she was on me in a flash. Using her upper body strength, she bore down on me until I lay beneath her with my legs spread invitingly.

We kissed again, only this time it was more sensual. Leslie's tongue explored my mouth as easily as her hands explored my body, and I was breathless by the time she broke off to lick her way down toward my waiting pussy. I didn't know what to expect exactly, but once she'd gently

"Neither have I," she whispered, lowering her lips to my heaving chest. "We'll learn together!"

Then her wicked tongue was dabbing at my stiffening nipple, and I nearly had another orgasm. Arching my torso in ecstasy, I made a grab for her dangling, bronzed tits. Leslie whimpered softly as she increased the suction on my blossoming nipple.

"Ohhhh, Leslie!" I moaned, shaking my shoulders.

parted my slick labes and swept her tongue into my opening, I climaxed like never before.

"Eeeeeee! Leslie!" I cried, frantically rolling my hips "You're making me come! Ohhhh! I...I don't believe it! Ahhhh! Don't stop! Oh, god! Don't stop!"

Leslie peered up at me over the fringe of my flaming red bush, clearly astonished at my climax. But I was thrashing around so much that all she could do was grip

my trembling ass and burrow in. The faster she whirled her tongue, the harder I popped until I was finally too exhausted to move. Lying passively in a sweaty heap as she lapped up the excess moisture from my satisfied pussy, I wondered what was going to happen next. It didn't take me long to find out.

Moving like a graceful, bronze cat, Leslie scooted around to poise her gaping pussy above my nose. As inviting as those dripping, engorged labes were, I wasn't sure I could go through with what she clearly wanted me to do.

"Please, Nancy," she whispered, peeling herself open. "I'm...I'm so horny!"

The need in her voice was too great to ignore—not to mention the musky odor of her arousal. Sliding my hands up the backs of her taut, tanned thighs, I cupped her firm ass to guide her down onto my waiting mouth. Suddenly, I was tasting a woman for the first time, and the tangy warmth of her juices fired my pussy up all over again.

"Ohhhh, yes, Nancy!" she sighed. "Eat my pussy, baby! Eat me out!"

She began humping wildly, rolling her drooling labes across my fluttering tongue like a sex-starved slut. With my nose wedged between her flexing ass-globes and my tongue flicking back and forth between her opening and her swollen clit, I soon found myself bucking my own hips as my desire mounted.

Sensing how turned on I was, Leslie fell forward onto her elbows to bury her face in my crotch. The instant I felt her searing breath on my labes, I squeezed her muscu-

pussy with a lustful urgency.

Leslie was moaning even louder than I was at this point as she rode my eager tongue to climax. Clamping her sleek, young thighs around my head, she glued her lips to my swollen clit and fucked the rumbling torpedo into my pussy at top speed.

The electrifying sensation building in my pussy quickly proved too much. My orgasm blindsided me, traveling from my pussy to my brain with the force of a rocket blast. Hitting the peak of my passion, I screamed into Leslie's moist opening and twisted my head around in tight little circles, exerting just the right amount of pressure to make her explode.

"Awwwww, god! Yes! Ohhhh, Nancy! I'm coming, baby!" she yipped, tossing her head up in ecstasy. "Eat my pussy! Bite my clit! Aieeee! Yessss!"

We held onto each other for a long time after the initial impact of our mutual orgasms had subsided; then Leslie wiggled off, gently eased her toy from my contracting pussy, and swung around to take me in her arms.

"Want a taste?" she chirped, holding the humming device up to my lips.

Smiling affectionately, I greedily lashed my tongue along the shiny, dew-covered plastic from one side while she did the same on the other until we met at the tip in a loving kiss.

"Does...does this mean I'm a lesbian? Bi? What?" I asked her softly.

Leslie shrugged. "Who knows? Does it matter? I mean—

lar ass and chewed frantically on her bloated clit in anticipation of her tongue entering my pussy. But instead of the tender fluttering I was expecting, I got the thick, cool thrusting of plastic.

As soon as I felt those subtle vibrations travel across my burning flesh, I panicked. But there was no time to get away. Suddenly, the fierce tickling of the pulsating handle shot through my lower belly like a bolt of lightning. Squealing at the top of my lungs, I burrowed into Leslie's seeping

this will sure do until a real cock comes along—right?" No sooner had she said it than the toothbrush abruptly stopped cold. "Shit! The batteries are dead!"

"No problem," I told her, bumping my tummy into her hip. "I've got some spares in my dresser drawer!"

"Great! Then let's bring my joybuzzer back to life!"

I was all for that, thinking to myself as I lewdly parted my thighs, that I would have to get a joyous joybuzzer of my very own.

Jada

Let's see how long it will take for Jada to have a cock up her ass. Of course there's the prerequisite oral play, lick his cock, lick her ass. Then a few minutes in her pussy before the ass becomes available. She says foreplay has never been her strong suit.

Blake

We ask ourselves... are pierced nipples a gateway to anal sex? No, not necessarily, we decided. But when we saw Blake, we knew instantly that a nice hard cock was going to find it's way into her tight anus. We were so sure that we deployed a photographer to go to her next sex session to prove our point. And boy, did she. Thank you Blake!
